THANK GOD FOR GOOD MUSIC

“Beautiful music is the art of the prophets that can calm the agitations of the soul,” said Martin Luther. Of course, he never heard intense rap or loud rock ‘n’ roll!

Still, the great reformer of the faith was correct. What other art can so quickly soothe us and bring us inner peace?

Bernard Berenson put it this way: “On the wings of music we soar above and beyond nature, farther than any other vehicle can carry us.”

King Saul often became depressed and inwardly tormented. Some of his servants thought he could find relief by listening to music. The king heard about Jesse’s son David, who skillfully played a lyre (some translations read “harp”). Saul sent for David and heard him play. Saul was so helped by the music that he asked David to join his court.

Thus we read in 1 Samuel 16:23, “Whenever the evil spirit ... came upon Saul, David took the lyre and played it with his hand, and Saul would ... feel better” (NRSV).

What songs and hymns have that same effect on you?

Thanksgiving

In the spirit of Thanksgiving, the following is something to ponder.....If you woke up this morning with more health than illness.. you are more blessed than the million who will not survive this week. If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation .. you are ahead of 500 million people in the world. If you can attend a church meeting without fear of Harassment, arrest, torture, or death... you are more blessed than three billion people in the world.

If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep... you are richer than 75% of this world. If you have money in the bank, in your wallet, and spare change in a dish someplace... you are among the top 8% of the world's wealthy. If your parents are still alive and still married... you are very rare, even in the United States. If you hold up your head with a smile on your face and are truly thankful... you are blessed because the majority can, but most do not. If you can hold someone's hand, hug them or even touch them on the shoulder... you are blessed because you can offer healing touch. If you can read this message, you just received a double blessing in that someone was thinking of you, and furthermore, you are more blessed than over two billion people in the world that cannot read at all.

HAPPY THANKSGIVING
